

Dear Homeowner,

I hope this letter finds you safe and well.

The purpose of this correspondence is to update you on the status of the Carrownagowan Wind Farm project.

As you are aware, the Judicial Review for the project is progressing through the courts. The next step is for a hearing date to be set for the Judicial Review matter to be heard in the High Court. The hearing date is likely to be at some point in the second half of 2024. Due to this ongoing legal challenge to the project's planning decision, we are unable to provide any further detail at this point, other than to state that we remain committed to the project.

We will be in touch again with further project updates in due course. In the meantime, if you wish to contact the project Community Liaison Officers, please call Michael McNamara (086 667 4281) or Kevin Donnellan (087 431 5976). Alternatively, you can email carrownagowan@futureenergyireland.ie

Yours sincerely,

Mary Lynch
